

Medical Exemption From COVID-19 Vaccination

To protect the health and safety of our community, Pures College is requiring that individuals be vaccinated as a condition to access all campuses and any other affiliated offices of the college.

Pures College will consider on an individual basis requests for exemptions from students and employees on medical grounds based on the risk of substantive injury and/or disability in accordance with Pures College's Covid-19 Vaccination Administrative Policy. All requests will be reviewed by an independent physician whose determination will be final.

PLEASE READ CAREFULLY:

- Requests for medical exemptions will be considered upon completion and presentation of this form. The form must be submitted to Sukie Wu at sukie.wu@pures.ca
- Notification of receipt will be provided to the student's Dean and employees manager.
- A medical exemption may be granted upon receipt of required documentation signed and certified by a licensed medical practitioner.
- The duration of the exemption is at the sole determination of Pures College. Individuals approved for an exemption may request recertification, if required.
- To continue to protect the health and safety of the campus community, at the sole discretion of Pures College, students or employees with an approved exemption to being vaccinated may be accommodated through measures other than being granted access to campus, or other requirements determined by Pures College.
- Individuals with an approved exemption will be notified in writing through their Pures College email, and copied to their manager regarding the accommodation process.
- Individuals with an unapproved exemption are asked to have a discussion with their Dean or Administrator and to refer to the COVID-19 vaccination policy.
- Incomplete applications, or applications not completed by a licensed medical professional, will not be reviewed.
- Decisions are final and not subject to appeal. Individuals are permitted to reapply if new documentation and/or information becomes available.
- This medical exemption only applies to requests for exemption from Pures College's COVID-19 vaccination policy. If you are seeking academic or workplace accommodations for other purposes, you will be required to make a separate application in accordance with existing procedures. If you have a previously approved accommodation, you must still submit this form if you wish to be considered for a COVID-19 vaccination exemption.
